SYLLABUS AND SCHEME OF ASSESSMENT FOR ENGLISH LITERATURE

Objectives of teaching English Literature

- To provide exposure to various genres of writing in English in order to develop sensitivity to literary and creative uses of the language.
- To expand the learners' vocabulary resources through various media.
- To develop a taste for reading and a critical faculty to examine a text and comment on its different aspects.
- To develop proficiency in English Language both in receptive and productive skills.
- To grasp the global meaning of the text, its gist and understand the interplay and inter-relationships between its theme and sub-themes.
- To form critical and evaluative opinions about a text, for example, how the details support a generalization or the conclusion either by classification or by contrast and comparison.
- To comprehend details, locate and identify facts, arguments, logical relationships,generalization, conclusion, in the texts.
- To draw inferences, supply missing details, predict outcomes, grasp the significance ofparticular details and interpret texts.
- To assess and analyze the point of view of the author.
- To infer the meanings and connotations of words and phrases from the context.
- To appreciate stylistic nuances, literal and figurative uses.
- To analyse a variety of texts on the basis of skills attained according to the aforesaid.
- To identify different styles of writing like humorous, satirical, contemplative, ironical and burlesque.
- To be able produce text-based writing (writing in response to questions or tasks based onprescribed as well as 'unseen' texts).

To develop familiarity with the poetic uses of language including features of the language through which artistic effect is achieved.
